INCLUSION AND SUPPORT

BCC's programs embrace an inclusion approach that provides opportunities for all children to actively participate in all aspects of the program. Children with special needs or disabilities and children who are developing typically will be together in classrooms to support and enhance all children's opportunities for learning. Programs will make necessary accommodations in order to implement a child's Individual Education Plan (IEP) or Individual Family Service Plan (IFSP) within the program's budgetary limitations. It is our goal that all of our teachers will have knowledge and training in inclusion best practices. The goal is to create an environment in which all children are valued and respected.

CIVIL RIGHTS

BCC's programs are implemented with fairness. Children may not be discriminated against based on color, religion, creed, gender, personal beliefs, or socio-economic status.

CONFIDENTIALITY

All BCC records and all personal information on all children, family members and staff must remain confidential. Unauthorized removal of records or unauthorized divulgence of confidential children's, family members', staff or program information is strictly prohibited by Bellevue Community Center policy. Violation of this policy is considered serious and will result in discharge without warning. Information obtained in the course of Childcare may be used only to plan for a child's safe and appropriate participation. Observations made in the classroom and all information discussed at staff meetings/trainings are to be kept in strict confidence. At no time may any written or verbal information, videotapes, pictures, files, assessments or any other documentation be copied, released, or shared without prior written consent from the parent/guardian.

CHILD ABUSE AND NEGLECT

Delaware State law requires the center/staff to report suspected child abuse or neglect to the local authorities. Under the code of the State of Delaware Title IV, as childcare providers, if any staff member in good faith suspects child abuse or neglect, they are required by law to make a report to the Office of Children's Services of the Department of Services for Children, Youth and Their Families.

Federal Food Service Program And Health Appraisal

FOOD SERVICE

BCC administers the Child and Adult Care Food Program. A breakfast, lunch, and afternoon snack are served daily to the participants of the childcare and school age programs. Summer camp, however, serves only lunch and a snack. The goal of the childcare center meal service is not just to fill children's stomachs today, but rather, to meet the child's nutritional needs while creating positive eating habits that will last a lifetime.

Menus are designed to meet both the CACFP meal pattern requirements and licensing requirements. Menu planning takes differences in texture, color, tastes, and temperature into consideration. All food items on the menu for each meal are prepared in quantity to satisfy the minimum serving size for each child as required by CACFP. We ensure that all adults and children follow food safety practices by washing their hands and wearing gloves before food preparation and/or set-up before meal service and washing hands after clean-up.

Food allergies must be accompanied with a doctor's note with indicated food substitutions (if applicable).
